Tennis Championship-Shooting.

The Bayonne Field Club won an interesting game of baseball Sunday afternoon from the Kanawha A. C. at the former's grounds, before a large crowd of amateur fans. The hitting was about an even thing, with the advantage with the winners, though they made the greater number of errors. Amory was poorly supported and the victory is the more credit to him for that reason. The score:-BAYONNE F. C.

Johnny Nelson Won Decisive Victory From Tom Linton-Racing Notes.

Johnny Nelson scored a good, clean win last night at Boston in his twenty-five mile match with Tom Linton, the Welshman, the first race which the latter has ridden since he landed in this country. Nelson soon got away in the lead and at the eighth mile Linton was ten yards behind. Then the Welshman lost his pace for a time and Nelson drew away for fifty yards. Up to this time Linton seemed to be pushing his pacemakers hard, but they slowed up for some reason and Linton, afraid of the machine, sheered out and dropped back. Nelson was never much in danger after this. and increased the lead to a full lap by the fifteenth mile. At the twenty-second mile he had made it two laps and at the finish was nearly a mile ahead. His time was 40:02. The professional sprint races preved an attractive feature. Summary: One-third of a mile, open, professional-

AMERICANS LEAD BRITISH

First Day in International Shoot Carried By Our Cracks Handily.

The Anglo-American trap-shoot at inanimate targets opened yesterday at the Middlesex Gun Club range, London, England. The weather was bright and there was a fair attendance, including many women. A high gusty wind prevent good records. When the shooting ende for the day the score was as follows Americans, 866; British, 801.

The betting on the American team, which opened at 6 to 5 against, closed last night at 10 to 1 on. Paul North and the other Americans say that all the me bers of the team are shooting far below their standard. It was expected that the team would kill 90 per cent, of the birds, but yesterday's result showed less than 87 per cent. The high winds and the unfamiliar surroundings had much to do with this.

Crosby led the American score with 93 birds, Budd killed 89, Tripp and Heikes 88 each, and the lowest score was 69. The British team used a double barrel gun and the Americans a single barrel 3 gun, and therefore, as may be seen, the ancestors? Britishers used from 33 to 40 per cent. more shells, with a smaller number of kills, in the total score. In the first preiminary sweepstakes, at 25 birds, R. O. Heikes of Dayton, Ohio, killed 25 straight. W. R. Crosby of O'Fallon, Ill., and Fred Gilbert of Spirit Lake, Iowa, were next highest, with 23 each. T. A. Marshall of Keithsburg, Ill., won the second sweep-stakes, with 22 out of 25. Frank Parmelee of Omaha won the 25 live bird contest, of Omaha won the 25 live bird contest, with 25 straight kills.

TENNIS CHAMPIONSHIP

Tournament for New Jersey Title Opened at Orange Yesterday.

The New Jersey State championship lawn tennis tournament got under way yesterday afternoon at the Orange L. T. C. The absence of several of the players entered made matters very slack on Monday and only two matches were played. Among those entered, however, are W. A. Larned, Clarence Hobart and Richard Stevens, and the meeting promises to be one of the most important of the spring season. Hobart is entered only in the doubles with the S. C. Millett, but it will be his first appearance since he returned from his two years' experience in English tournaments, and must interest is centred in his play as compared with that of

This afternoon Stevens will play Paret, and the winner will meet W. A. Larned in the semi-finals tomorrow. Alexander has by H. J. Kramer; Jehn H. Fisher, second; an easy road to the finals on the other side. The summary:
